

DIOCESE OF CORPUS CHRISTI OFFICE OF THE BISHOP

AMENDED PARISH DIRECTIVES effective May 20, 2021

For Pastoral Activities in the Diocese of Corpus Christi during this continuing Pandemic Period

The Centers for Disease Control (CDC) issued new guidelines on May 17, 2021 regarding people who have been fully vaccinated. The guidelines state that those who are fully vaccinated can resume activities that they did before the pandemic without wearing a mask or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations. You can read the guidelines at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>

In light of these guidelines, the following Directives for public Masses, liturgies, devotions, social gatherings in parish halls and classrooms are offered after consultation with medical experts. These will serve to clarify the current decrees on pastoral activity during this time.

Thank you to all the priests for the cooperation shown over the past year in following directives and for the care you've shown the people of God entrusted to your care.

Together, let us continue to pray for all who are suffering from the Covid-19 virus, for all health care workers and first responders. Let us also continue to pray for all the deceased and their families. Relying on the motherly care of Our Lady of Guadalupe and protection of St. Joseph, let us show the same care for one another remembering the words of our Lord:

"For whatever you did for the least of my brothers, you did for me".
